Part I – Letter from the Chairman

Dear Shareholder

This Circular accompanies the Annual Report and the Audited Financial Statements of the Company for the year ended 31st December 2015.

The consideration of resolutions at the Annual General Meeting (AGM) is important. Your Directors believe that in the interests of shareholder democracy it is critical that the voting intentions of all members are taken into account, not just those who are able to attend the AGM. We therefore again propose to put all resolutions at the AGM to shareholders by way of a poll rather than a show of hands. The Board considers that a poll is more democratic since it allows the votes of all shareholders to be counted and electronic voting enables poll voting results to be obtained efficiently and effectively. Shareholders attending the AGM will still have the opportunity to ask questions, form a view on the points raised and vote on each resolution.

If you would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM. Please see the Form of Proxy section in the notes to the Notice of Meeting for information.

The purpose of this Circular is to explain certain elements of the business to be conducted at the AGM, including the ordinary resolutions (numbered 1 to 15) and the special resolutions (numbered 16 and 17).

Resolution 14 – Issue New Shares

Resolution 14 renews the authority granted to the Directors to allot new shares in accordance with Section 551 of the 2006 Act up to a nominal amount of £6,589,764 being 33.33% of the issued Ordinary share capital at 17th March 2016 (being the latest practicable date prior to publication of this Circular). This authority will expire on the date of the next AGM or on 9th August 2017, whichever is the earlier. The Directors have no present intention of exercising this authority.

Resolution 15 – Scrip Alternative

At the AGM held in 2015, shareholders authorised the Directors to offer a scrip alternative to any dividend declared or paid in the period up to the date of the AGM to be held in 2020 or, if earlier, 10th May 2020. A scrip alternative will not be offered for the financial year ended 31st December 2015 but the Directors consider it prudent to maintain the facility to provide this alternative for shareholders should circumstances alter so as to make a scrip alternative appropriate. In accordance with the Articles of Association, Resolution 15 will be proposed as an ordinary resolution to renew this authority for five years ending on the date of the AGM to be held in 2021 or, if earlier, on 9th May 2021, although it is the Directors' intention to renew this authority annually.

Special Resolutions**Resolution 16 – Disapply Pre-emption Rights**

Resolution 16 renews the Directors' authority in accordance with Section 561 of the 2006 Act to allot further shares for cash, pursuant to the authority granted by Resolution 14, without first being required to offer such shares to existing shareholders. If approved, the Resolution will authorise the Directors to issue shares in connection with a rights issue or open offer and otherwise to issue shares for cash, excluding the sale on a non pre-emptive basis of treasury shares for cash, up to a maximum nominal amount of £988,465, being 5% of the nominal value of the Company's issued Ordinary share capital on 17th March 2016 (being the latest practicable date prior to the publication of this Circular). In accordance with the Pre-emption Group's Statement of Principles, the Directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non pre-emptive basis in any rolling three year period without prior consultation with the shareholders. This authority will expire on the date of the next AGM or on 9th August 2017, whichever is the earlier. The Directors have no present intention of exercising this authority.

Resolution 17 – Purchase Own Shares

Resolution 17 renews the Directors' authority to make market purchases of its own Ordinary shares as permitted by the 2006 Act. The maximum aggregate number of Ordinary shares which may be purchased would be 7,342,880 which represents approximately 10% of the Company's existing Ordinary share capital as at 17th March 2016 (being the latest practicable date prior to publication of this Circular). The minimum price (excluding expenses) which may be paid for each share purchased under this authority is 26^{1/4}p. The maximum price (excluding expenses) which may be paid for a share purchased under this authority is an amount equal to the higher of 5% above the average of the middle market quotations of the Company's Ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased. This renewed authority will expire on the date of the next AGM or on 9th August 2017, whichever is the earlier.

The share re-purchases made to date under the authorities granted by shareholders have enhanced earnings per share to the benefit of all shareholders. The Board believes that it would be appropriate to have the option to use a proportion of the Company's cash resources to make further market re-purchases of Ordinary shares.

The Company will only exercise the authority granted by the proposed Resolution where the Board reasonably believes that repurchasing its shares will increase earnings per share of the Ordinary shares in issue after the purchase and, accordingly, is in the best interests of shareholders generally.

The number of options and Performance Share Plan (PSP) awards to subscribe for equity shares that are outstanding at 17th March 2016 is 464,541, being 0.63% of the issued Ordinary share capital at that date. If the authority to purchase the Company's Ordinary shares was exercised in full, these options and PSP awards would represent 0.70% of the Company's issued Ordinary share capital. The Company has no warrants to subscribe for equity shares that are outstanding at 17th March 2016.

The 2006 Act permits certain listed companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under share plans. Once held in treasury, the company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the company's assets may be made to the company in respect of the treasury shares.

Any shares purchased by the Company pursuant to the authority conferred by Resolution 17 will either be cancelled and the number of shares reduced accordingly or, if the Directors think fit, they may be held as treasury shares. As at 17th March 2016, the Company held no Ordinary shares in treasury. This authority will expire on the date of the next AGM or on 9th August 2017, whichever is the earlier.

The Directors have no present intention of exercising this authority.

Action to be taken

Whether or not you are able to attend the Meeting, please complete and return the enclosed Form of Proxy so as to reach the Registrars not less than 48 hours, excluding non-business days, before the time for the Meeting. Completion and return of a Form of Proxy will not prevent you from attending and voting in person at the Meeting if you so wish.

Recommendation

Your Directors believe that all the proposals to be considered at the AGM will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole and recommend shareholders to vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 126,816 shares (as at 17th March 2016), representing approximately 0.17% of the existing issued share capital of the Company.

Yours faithfully

Bill Whiteley

Chairman

For this purpose, seniority will be determined by the order in which the names of the shareholders appear in the register of members in respect of the joint shareholding. If the Form of Proxy is signed by someone else on behalf of the registered holder(s), the appropriate power of attorney or other authority (or a duly certified copy of such power or authority) under which it is executed must be returned with the Form of Proxy.
17. A corporation should execute the Form of Proxy under its common seal or otherwise in accordance with Section 44 of the Companies Act 2006 or by signature on its behalf by a duly authorised officer or attorney whose power of attorney or other authority should be returned with the Form of Proxy.
18. To change your proxy instructions you may return a new proxy appointment using the methods set out above. Where you have appointed a proxy using the hard copy Form of Proxy and would like to change the instructions using another hard copy Form of Proxy, please contact Equiniti on 0371 384 2349* (UK) or + 44(0)121 415 7047 (overseas). The deadline for receipt of proxy appointments (see above) also applies in relation to amended instructions. Where two or more valid separate appointments of proxy are received in respect of the same share in respect of the same Meeting, the one which is last sent shall be treated as replacing and revoking the other or others. (*Lines are open from 8.30 am to 5.30 pm, Monday to Friday, excluding UK public holidays.)
19. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
20. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number - ID RA19) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
21. CREST members and, where applicable, their CREST sponsor, or voting service provider(s) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
22. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
23. You may not use any electronic address provided in this Notice of Meeting to communicate with the Company for any purposes other than those expressly stated.
